DETAILED ACTION

Claim 9 has been cancelled per Applicant's request. Claims 11-20 have been added.

Allowable Subject Matter

1. Claims 1-8, and 10-20 are allowed.
2. The following is an examiner's statement of reasons for allowance:

With respect to claim 1 and all its dependencies:

- A method to identify an item having an RF tag attached by an RF tag detector comprising housing items having an attached RF tag in a holder that includes a plurality of slots, each slot comprising an RF detector and a selecting means to indicating which item is to be identified and presented to a displaying device in the holder

With respect to claim 5 and all its dependencies:

- A system to identify an item having an RF tag attached including a holder with a plurality of slots to house items wherein each slot has an RF detector and a selecting means to indicate which item is to be identified and presented to a displaying device in the holder

With respect to claim 11 and all its dependencies:

- A method to identify an item having an attached RF tag by an RF tag detector comprising housing items having an attached RF tag in a holder that includes at least one RF detector and a selecting means to indicate

which item is to be identified and presented to a displaying device in the holder

With respect to claim 15 and all its dependencies:

- A system to identify an item having an attached RF tag including a holder that includes at least one RF detector and a selecting means to indicate which item is to be identified and presented to a displaying device in the holder

The prior art of record fails to provide sufficient teaching or motivation to one of ordinary skill in the art to provide the features of these claims in the combinations as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
